

Notice of Credit Card Surcharge

Dear Valued Customer,

We would like to inform you that, starting 11/01/2023, a credit card surcharge of 3% will be applied to all credit card purchases and payments. This decision has been made in response to rising credit card processing fees, which have become a significant cost for our business.

We understand the convenience and benefits of using credit cards, and we want to continue offering this payment method to our customers. However, the surcharge is necessary to help offset the associated expenses.

We appreciate your understanding and continued support of our business. If you have any questions or concerns regarding this surcharge or would like more information, please do not hesitate to contact our customer service team at 866-774-2100 Ext 201 or ap@pac-intl.com.

Thank you for choosing to do business with us.

Sincerely,

PAC International, LLC.
